

<div><div>Nikola Tasev</div><div>Frontend Developer</div><div><div><div><div></div><div>Gorje, Slovenia</div></div><div><div></div><div>+38640381901</div></div><div><div></div><div>tasev.nikola@proton.me</div></div><div><div></div><div>https://www.nikolatasev.xyz/</div></div><div><div></div><div></div></div></div></div></div>			
Profiles	<div><div><div></div><div>steelsnake93</div></div><div><div></div><div>nikola-tasev</div></div></div>		
Summary	<p>Self-taught Frontend Developer with a strong foundation in React, Next.js, and modern JavaScript technologies, complemented by backend knowledge in Node.js, Express.js, and MySQL. Proven ability to deliver full stack applications from concept to deployment, with responsive design, clean UI, and real-world functionality. Skilled in version control, CI/CD, and working with modern developer tools. Eager to grow within dynamic teams and contribute to impactful web applications.</p>		
Projects	<div><div>Personal Portfolio Website</div><div>Next.js, Tailwind CSS, GraphQL</div><div><div></div><div>Developed and deployed a personal portfolio showcasing skills and GitHub projects.</div><div></div><div>Integrated GraphQL API to dynamically fetch project data.</div><div></div><div>Designed dark/light mode and mobile-responsive layout.</div><div></div><div>Deployed with Vercel and automated updates via CI/CD pipelines.</div></div></div>		
	<div><div>Acme Dashboard</div><div>Next.js, Tailwind CSS, TypeScript</div><div><div></div><div>Built a mock business dashboard for financial and client data visualization.</div><div></div><div>Created reusable UI components and optimized layout with Tailwind.</div><div></div><div>Integrated server-side rendering and dynamic routing with App Router.</div><div></div><div>Engineered skeleton loaders and server actions to enhance performance.</div></div></div>		
	<div><div>JavaScript Calculator</div><div>React.js</div><div><div></div><div>Built a functional calculator app mimicking traditional calculator logic.</div><div></div><div>Applied component-based architecture and state management.</div><div></div><div>Designed an intuitive, responsive calculator UI.</div></div></div>		
	<div><div>CV-Application ResumeRanger</div><div>React, Material-UI, html2canvas, jsPDF</div><div><div></div><div>Created a resume builder enabling users to generate downloadable PDFs.</div><div></div><div>Engineered custom form validation and user-friendly interface.</div><div></div><div>Integrated PDF export with html2canvas and jsPDF.</div></div></div>		
	<div><div>Markdown Previewer</div><div>React.js</div><div><div></div><div>Built a live markdown editor with real-time preview.</div><div></div><div>Managed state with React hooks.</div><div></div><div>Supported GitHub-flavored markdown syntax.</div></div></div>		
	<div><div>Todo List App</div><div>JavaScript, CSS</div><div><div></div><div>Developed a task manager with add/delete/toggle functionality using vanilla JS.</div><div></div><div>Implemented event-driven DOM manipulation for task updates.</div><div></div><div>Styled with minimalist CSS for clean UX.</div></div></div>		
	<div><div>Random Quote Machine</div><div>Javascript</div><div><div></div><div>Built a random quote generator with one-click Twitter sharing.</div><div></div><div>Fetches quotes asynchronously and rendered via JavaScript.</div></div></div>		
	<div><div>Tic Tac Toe</div><div>JavaScript</div><div><div></div><div>Developed a browser-based game with win logic and real-time interactions.</div><div></div><div>Enabled reset and player feedback functionality via DOM manipulation.</div></div></div>		
Technical skills	<div><div>Frontend</div><div>React, Next.js, JavaScript, TypeScript, HTML, CSS</div></div>		<div><div>Backend</div><div>Node.js, Express.js, MySQL, JWT</div></div>
	<div><div>Tools</div><div>Git, GitHub, Vercel, npm, VS Code</div></div>		<div><div>Others</div><div>GraphQL, html2canvas, jsPDF</div></div>
Certifications	<div><div>Full Stack JavaScript Path</div><div>The Odin Project</div></div>		
Languages	<div><div>Slovenian</div><div>Native</div></div>	<div><div>English</div><div>Fluent</div></div>
